GOOD MOVE #16

100% electric

The UK's largest bakery brand Warburtons carries several tonnes of bread and bakery products emissions free every day across UK towns and cities thanks to their 5 Renault Trucks E-Tech D.

What is a good move?

A Good Move is something that helps – or inspires us – at Renault Trucks to reach our ambitious goals of reducing CO₂ emissions.

GOOD MOVE #16

Why is this a good move?

Warburtons electric trucks are eligible to operate in all of the UK Low Emission and Congestion Charge Zones without incurring charges.
