# Climate Fresk: a new way of learning

The Climate Fresk is a game-based tool for raising awareness of the causes and consequences of climate change. It is open to everyone. At Renault Trucks, 2,800 employees have already participated, with more than 50 internal facilitators.

## What is a Good Move ?

A Good Move is something that helps– or inspires us – at Renault Trucks to reach our ambitious goals of reducing CO<sub>2</sub> emissions.

## GOOD MOVES #18

# Why is this a Good Move?

The Climate Fresk promotes teamwork and collective intelligence, inspiring people to take action, both within the company and personally.

Its success around the world has led to the creation of many new workshops, all covering key issues such as biodiversity, the circular economy, the waste cycle and so on.

Let's all become actors of the transition!
